

09-17-18 TO 11-16-18

P.A.C.E. SHOE DRIVE!

We all have shoes we don't need or no longer use, why not donate them and help raise funds for programs for our children?

Ask your neighbors, friends, family, co-workers and help us meet our goal of collecting 100 or more bags of shoes (25 pairs per bag)!

What types of shoes can we donate?

Gently used or new shoes of all sizes (adult and child) and styles (sandals, boots, sneakers, etc.).

What happens to the shoes we donate?

At the end of our fundraising period, Funds2Org will send a truck to collect our shoes. The shoes are then sent to developing nations and then refurbished and sold by micro-entrepreneurs (small family owned shops). For more information visit Funds2Org.com

**Donate during
pick-ups and drop
offs and any time
in between!**

**Boxes are located
by the entrances!**

**Our Goal?
100 bags or more
by 11-16-18!
(25 pairs/bag)**

**We receive 40
cents per pound
of shoes!**

Let's do this!
