To Parents using After Care Services: After Care operates until 6:00 p.m. All students must be picked up by that time to avoid being charged an overtime fee. The fee is \$1.00 per minute after 6:00 p.m.

Availability: Before and After Care operates on every instructional day. It does not operate on days the school is not open or closes early for safety reasons or weather. We operate from 12 noon – 6:00 p.m. on half school days.

I/We understand the fee schedule of St. Peter’s Before and After Care Program and agree to pay the appropriate fee for our child to participate on the indicated days and times. I/We also understand that the fee will change if and when our need for the service changes. A new copy of this form will be submitted at that time.
